THE QUARTERLY SURVEY OF NEW YORK PRACTICE

Introduction*

In this installment of the Survey, the reader is directed to our first Survey note, comparing the Surrogate's Court Act with the new Surrogate's Court Procedure Act. The reader should also find worthwhile the treatment of Todd v. Todd under Section 308 of the CPLR. Other noteworthy cases will be found under Articles 31 and 52.

The Survey sets forth in each installment those cases which are deemed to make the most significant contribution to New York's procedural law. Due to limitations of space, however, many other less important, but, nevertheless, significant cases cannot be included. While few cases are exhaustively discussed, it is hoped that the Survey accomplishes its basic purpose, viz., to key the practitioner to significant developments in the procedural law of New York.

The Table of Contents is designed to direct the reader to those specific areas of procedural law which may be of importance to him. The various sections of the CPLR which are specifically treated in the cases are listed under their respective titles.

Also valuable are the two joint reports of the Senate Finance and Assembly Ways and Means Committees:
